Technical Infos

Opal is a text face with a noble feeling, yearning for luxury and still delivering. Because of the long ascenders that rise clearly above the capital letters, Opal should be set with generous line spacing. The typeface's design has the attributes of the oldstyle Renaissance serifs, yet Opal is not based on any specific precedes-

sors. Through undulating strokes and sharp corners, a cutout feeling is created; Opal's letters sport inktraps at stroke junctions, which this strengthen this image in larger point sizes even further. In total, the letterforms have clear emphasis on their

verticals and horizontals; they do not fear the weight on their curves. In addition to an Italic and Bold variant, Opal has a Script member of the family. Opal Script is perfectly suited for additional text emphasis, or as an alternative to the typeface's Italic.

[Opal Regular: 8/12] All questions asked by five watch experts amazed the judge. Victor jagt zwölf Boxkämpfer quer über den großen Sylter Deich. Crazy Fredericka bought many very exquisite opal jewels. VOYEZ LE BRICK géant que j'examine près du wharf. Ma la volpe col suo balzo ha raggiunto il quieto Fido. À noite, vovô Kowalsky vê o imã cair no pé do pingüim queixoso e vovó pôe açúcar no chá de tâmaras do jabuti feliz. Young chef, bring whisky with fifteen hydrogen ice cubes, damn! Quizdeltagerne spiste jordbær med fløde, mens cirkusklovnens Walther spillede på xylofon. Laü Ludoviko Zamenhof bongustas freša čeha manĝa o kun spicoj. Ang buko ay para sa tao dahil wala nang pwedeng mainom na gatas. Quel vituperabile xenofobo zelante assaggia il whisky ed esclama: ALLELUJA! Sic surgens, dux, zelotypos quam karus haberis. Vår sære Zulu fra badeøya spilte jo whist og quickstep i min taxi. Dość grózb fuzją, klnę, psych i małżeństw! Gheorghie, obezul, a reușit să obțină jucându-se un flux în Quebec de o mie kilowațioră.
