

## Zapf Essentials® Arrows Two

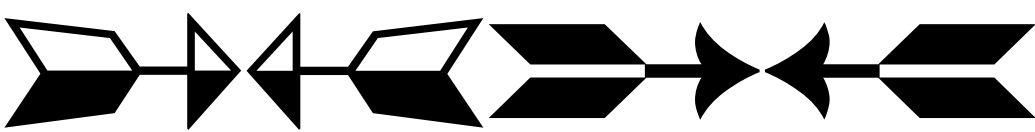

24 pt  A row of 18 glyphs at 24 pt size. It includes various arrow styles: solid black, hollow, and some with decorative shafts or fletching. The last glyph is a dotted arrow pointing right.

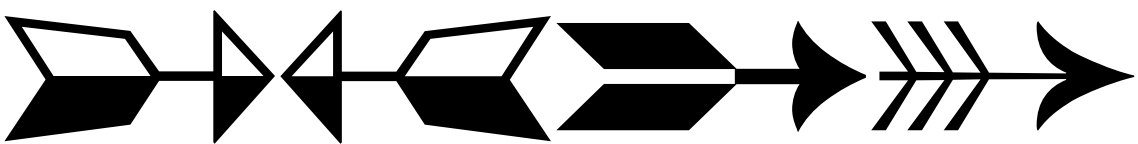

36 pt  A row of 12 glyphs at 36 pt size. The glyphs are larger and more detailed than the 24 pt version, showing more variation in arrowhead and shaft designs.

48 pt  A row of 10 glyphs at 48 pt size. The glyphs are even larger, with some showing intricate details like multiple arrowheads or complex shaft patterns.

60 pt  A row of 8 glyphs at 60 pt size. The glyphs are large and bold, with some featuring multiple arrowheads or complex shaft patterns.

72 pt  A row of 8 glyphs at 72 pt size. The glyphs are very large and bold, with some featuring multiple arrowheads or complex shaft patterns.

84 pt  A row of 6 glyphs at 84 pt size. The glyphs are extremely large and bold, with some featuring multiple arrowheads or complex shaft patterns.

96 pt  A row of 6 glyphs at 96 pt size. The glyphs are the largest in the set, with some featuring multiple arrowheads or complex shaft patterns.
