

Zig Zag 2

24 pt  A row of 16 black geometric glyphs. The first four are variations of a zig-zag shape, followed by a diamond, a series of three chevrons, and a final zig-zag.

36 pt  A row of 16 black geometric glyphs, identical in shape to the 24 pt row but scaled up.

48 pt  A row of 16 black geometric glyphs, identical in shape to the 24 pt row but scaled up further.

60 pt  A row of 16 black geometric glyphs, identical in shape to the 24 pt row but scaled up significantly.

72 pt  A row of 16 black geometric glyphs, identical in shape to the 24 pt row but scaled up to a larger size.

84 pt  A row of 16 black geometric glyphs, identical in shape to the 24 pt row but scaled up to a very large size.

96 pt  A row of 16 black geometric glyphs, identical in shape to the 24 pt row but scaled up to the largest size shown.
